VI. COMMENTARY

It has been exciting to have been with the FCAE project for one year! I have enjoyed reminiscing this month on all of the tasks that I have learned and accomplished over this past year. This month was full of planning and preparing for the Beginning Ag Teachers conference. The Conference went extremely well for being offered virtual for the 1st time. In any spare time, it was filled with speaking with teachers and administrators as they had many questions regarding the Incentive Funding Grant and the Three Circles Grant.
