**VI. COMMENTARY**

This month has been consumed with many state and section meetings with a few school visits sprinkled-in throughout. One of the highlights this month was having the opportunity to work with John Deere by assisting with their annual Deere and Company FFA Alumni Networking Event. I hosted the Illinois FFA State Officers for the day and accompanied them on two industry tours within Deere and Company before the actual FFA alumni event that evening. We had approximately 15 FFA chapters across the state attend this event.
