Completed Monthly Reports
Sent Teacher and Individual Informational Requests

VI. COMMENTARY

I hosted the first District 2 AgEd CDE with 8 students participating. The students seemed to enjoy the experience and most will be submitting to participate in State. I have been reducing clutter and unnecessary storage of old documents. Lesson Study project is going well, our Animal Science teachers are going to begin teaching their lesson in early February. The Inclusion, Diversity, and Equity taskforce is making progress getting some teacher PD established and we are ready to release an application for both teachers and students to participate in our summer meeting
