VI. COMMENTARY

With the continued Stay at Home Order, the FCAE and State Staff are working to make adaptations and assist teachers and program in a variety of ways. Weekly State Staff Meetings have given us a chance to check in and stay on the same page. I've enjoyed the chance to work more on our social media presence and bring our industry friends into the IL Ag Career Corner. Hopefully we will be able to take some of these new ideas with us out of this interesting/challenging time.
