The ideal workshop for introductory-level instruction in Torchmate system use.

The Facilitating Coordination in Agriculture Education (FCAE) is hosting a one-day workshop for teachers interested in learning more about Torchmate system use. The focus on this workshop is developing and enhancing participants' knowledge and skills related to Torchmate. An additional emphasis will also be placed on examining and incorporating teaching methods which increase student participation and engagement.

The workshop will be led by John Rasty, agriculture teacher at Sherrard High School. Please contact Jay Solomonson at [jsolomonson@ilaged.org](mailto:jsolomonson@ilaged.org) or (309) 798-6571 if you have any questions or need additional details.

**This workshop is limited to 20 participants.  
Please register using the link in the email.**
