

# Come to the **Rural Educators Digital Skills Summit** on July 28th, presented by Grow with Google and the American Farm Bureau Foundation for Agriculture.

**Who:** Middle and high school educators from across the U.S.

**What:** Live trainings, workshops, and Q&A to learn how to implement digital skills training that can help your students succeed academically and prepare for the job market of tomorrow.

**Why:** You'll learn to enhance your students' ability to communicate, collaborate, and create while also developing career readiness skills that are tailored to rural and agricultural communities. You'll also receive:

- Customized classroom resources
- Access to Level 1 or Level 2 Google for Education Certification credits
- Training on how to facilitate lessons in the classroom using digital education tools
- The opportunity to become a Farm Bureau Foundation Fellow

**When/where:** Live virtually on Thursday, July 28, 2022, with two options to join.  
9:00 a.m. ET - 12:30 p.m. ET or 1:00 p.m. ET - 4:30 p.m. ET

Learn more and register at [g.co/grow/rural-summit](https://g.co/grow/rural-summit)

*(Point your phone's camera at this code, then tap the prompt to open the link.)*

Attendees are also exclusively eligible to apply to become a Farm Bureau Foundation Fellow, which includes national recognition, a \$25,000 award, Chromebooks for the classroom, and the opportunity to develop a place-based, agricultural-themed digital skills lesson for nation-wide use.

Feel free to share this opportunity with other educators and we hope to see you there!
