

2019 Illinois Curriculum Questionnaire: Career and Technical Education (Excluding Ag Ed)

The College and Career Readiness Division at the Illinois State Board of Education would like your opinion on the curriculum resources made available for use by Illinois CTE Educators and thoughts on what resources would be useful for you and your students. ISBE will use this information to identify the resources and other materials for future development. All responses will remain anonymous. Thank you in advance for your time in sharing your thoughts!

Section 1

Demographic Information

1. Please enter the county that the district you teach in is located in the space below:

Section 3

Curricular Needs

The items in the following section ask you to share your thoughts on how Illinois Career and Technical Education curriculum resources could be improved and expanded. These items may include CAERT curriculum and resources, but are not limited to CAERT curriculum and resources.

19. What features/types of resources would you like made available for Illinois CTE teachers?

- Google Classroom compatibility/integration
- Apple Classroom compatibility/integration
- Mobile device compatibility/integration
- Content that utilizes computer, web, and mobile-based applications/apps
- Interactive eTexts (online text books) for student use
- Video content
- Supplement modules of study that are adaptable (can be dropped into existing curriculum rather than replacing entire curriculum)

- Guided notes for student use
- Pacing guides for curriculum based on different schedule formats

20. What CTE courses or content would you like developed for Illinois teachers in your same field?

21. If you answered "Yes" that you used CAERT in the 18-19 school year: What lesson plan library(s) would you like to see updated? (Please check all that apply)

- I did not use CAERT in the 18-19 school year for classroom curriculum.
- Business/Marketing: Accounting
- Business/Marketing: Business, Marketing, and Consumer Education
- Business/Marketing: Paralegal Services
- Business/Marketing: Video Game Programming
- Consumer Education
- Entrepreneurship
- FCS: Foods, Nutrition, and Culinary Arts
- FCS: Introduction to Family & Consumer Sciences Careers
- FCS: Human Growth & Development
- FCS: Textiles and Design
- HST: Emergency Medical Services
- HST: Health Science Technology
- HST: Pharmacy Technician
- HST: Medical Assistant
- Career Development
- School Career Counseling
- Tech & Eng.: Drafting & Design
- Tech & Eng.: Green and Energy Efficient Construction
- Tech & Eng.: Manufacturing and Production
- Tech & Eng.: Technology & Engineering Education

- Tech & Eng.: Agricultural Mechanics & Technology
- Tech & Eng.: Graphic Communications

22. What classroom-related professional development would you find helpful? (e.g., teaching methods, content/skill-based, teaching/learning tools, etc.)

23. Additional comments:

24. Would you like to share additional ideas on agricultural education with ISBE? If so, please provide the following information in the space below: Name and email
