Sauk Valley Community College

Agriculture Career Fair

2020

Greetings from the Sauk Valley
Community College Ag!

We are holding a career fair for students and community members to see what agricultural opportunities we have in our local area. SVCC Ag would be delighted to have your school represented by attending this event. This is a great opportunity to seek out potential agricultural employers or internship

positions. This event will take place on March 19, 2020 from 9AM-3PM. RSVP is not required but is strongly encouraged. If you would like to have a tour of the campus, just let us know and that can be arranged. Feel free to hang one poster in your ag classroom and the other in the guidance office.

We look forward to having you here at Sauk Valley Community College Career Fair!
