

Educator's Workshop for Drones In the Classroom

The use of drones in the classroom is expanding! This workshop will focus primarily on preparing participants to take the FAA's Commercial Drone Certification Exam. It will also cover how to get started with UAV's and provide hands-on experience with drones and drone simulator software.

Class Dates

The class meets the following days:

June 1: 9-4

June 2: 9-4

Location

Parkland College
Agriculture (W) Building
Room W 115
2400 W. Bradley Ave.
Champaign, IL 61821

Registration

Attendees of the workshop will receive a \$600 stipend and the cost of the FAA written exam fee (\$173) will be covered. Space is limited and registrations must be received by May 27th. To register for the class, email abriggs@parkland.edu
