Plaque at State FFA Convention

*Please note that in order for a donor's contribution to count towards reaching a milestone supporter recognition level, the donor's total giving between July 1st – June 30th each year must equal \$50.00 or more.

All donors regardless of the contribution amount receive a thank you letter from the Foundation.

We truly appreciate all of you for your hard work in collecting the donations and all of your donors for their generous giving. Without donors and collectors, we would not have a successful drive!

Thank you!!
