

Join us for Explore ACES 2020!

The College of Agricultural, Consumer and Environmental Sciences (ACES) invites you to join us at Explore ACES 2020 on Friday, March 27. This fun, interactive day is a great chance to help your students learn more about the academic and career opportunities available in food, agriculture, environment, family, and communities through ACES!

Here's what the day will include:

Experiences

- Participate in 30-minute, interactive experiences designed to allow future students to learn about ACES majors and highlight the exciting opportunities in ACES. Multiple experiences offered each hour, beginning at 10:00 a.m. until 2:00 p.m.

Exploration

- Visit demonstrations and exhibits led by current students throughout the College of ACES campus.
- Learn more about our majors, the admissions process, scholarships, and student life.
- Take a tour of ACES campus

Go to exploreaces.org learn more and RSVP
