

JOLIET JUNIOR COLLEGE
—1901—

AGRICULTURAL, HORTICULTURAL
AND VETERINARY SCIENCES DEPARTMENT

Livestock Judging Coach / Animal Science Specialist

JJC is seeking a talented, energetic, and motivated individual to lead our livestock judging program including coaching, recruitment, and fundraising. This person will also be the lead in expanding the animal science activities at our Weitendorf Ag Education Center including the hosting of shows, sales, educational seminars, and assisting faculty with livestock related coursework. Position is full-time and includes an excellent benefits package. Full details can be found at the link below.
