

CAREER & COLLEGE EXPLORATION NIGHT

January 11, 2023 5-7
Mahomet Seymour
High School

Learn about STEAM Careers!

Stroll through hundreds of interactive career booths from science, technology, engineering, agriculture & math fields

Meet with Colleges & Universities

Ask representatives from area colleges and universities questions about their majors and campus

Gain leadership & team training

Learn about team building and leadership with the Dale Carnegie leadership training workshops! RSVP!

Ask about scholarships!

Attend our scholarship expo to learn about the many scholarships available for STEAM industry majors

Experience STEAM!

This is your chance to speak to career professionals, fly a drone, simulate a crop applicator, and so many more hands-on experiences
