Miles Traveled - 200

Commentary

The whirlwind that is the month of May has come and gone! We are days away from the Illinois FFA Convention when all of those efforts from the past year are recognized and honored for our members and teachers alike. This year will mark my 22nd Illinois FFA Convention and I have to admit that I am just as excited for this one as I was as a freshman entering the convention center for the first time. Bring on the spotlights, dances, excited students and proud parents!
